

NATIONAL CONFERENCE ON RECENT TRENDS IN MATERIALS & LIFE SCIENCES (RTMLS -2023)

SEPTEMBER 29, 2023

Organized by

DEPARTMENT OF CHEMISTRY
MAHARSHI DAYANAND UNIVERSITY, ROHTAK-124001

INVITATION

The organizing committee cordially invites you to participate in the National Conference on "Recent Trends in Materials & Life Sciences" (RTMLS-2023) organized by the Department of Chemistry, Maharshi Dayanand University, Rohtak on September 29, 2023. The scientific programme includes keynote address, invited lectures, oral presentations and poster sessions on the theme of conference. The aim of the conference is to promote discussion and to provide a platform for the exchange of ideas on the topics of conference.

THE HOST UNIVERSITY

Maharshi Dayanand University, Rohtak, named after a great social reformer "Swami Dayanand Ji", was established through an Act of Legislative Assembly of Haryana in the year 1976 with special objective - "To establish and incorporate a teaching cum affiliating University at Rohtak for the encouragement of interdisciplinary higher education and research". It is located 70 kms away from Delhi on NH-10 and is spread in 700 acres of land. During the last 42 years of its existence, the University has achieved a remarkable degree of success in its expansion programmes, infrastructural developments and in academic excellence. The University has 13 different faculties with 38 post-graduate departments in the campus running 77 academic programmes and it has ~486 institutions and colleges under its control with an enrolment of about 1.7 lacs students.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in 1970 as a wing of the then Regional Centre, Punjab University, Chandigarh. In 1974 this became a part of Regional Centre of the Kurukshetra University. When Maharshi Dayanand University came into existence in 1976, this Department became the part of the University. The Department offers M.Sc. two years course with Inorganic, Physical and Organic specializations. The Department also provides good opportunities for research at doctoral and post-doctoral levels on a variety of topics in conventional and inter-disciplinary areas in Chemistry in collaboration with other Departments and Institutions.

ROHTAK CITY

Rohtak is identified with 'Rohitaka' mentioned in the Epic Mahabharatha. Rohtak is now one of the largest towns in Haryana covering an area of 1668.479 Sq. Km. The city has number of Degree Colleges, Engineering, Ayurvedic, Management Institutes apart from prime institutes like Pt. B.D. Sharma health University, M.D. University, Baba Mastnath University, IIM, Rohtak, etc. Hence Rohtak is known as an education (Hub) city of Haryana.
